1.1 This Agreement defines the terms and conditions upon which the Contractor agrees to provide goods or services (hereinafter, "Services") to governmental entities participating in the TXShare program (hereinafter "Participating Entities"). The Contractor is being retained to provide services described below to Participating Entities based on the Contractor's demonstrated competence and requisite qualifications to perform the scope of the services described herein and in the Request for Proposals **#2026-078** (hereinafter, "RFP"). The Contractor demonstrated they have the resources, experience, and qualifications to perform the services described, which is of interest to Participating Entities and was procured via the RFP. NCTCOG agrees to and hereby does retain the Contractor, as an independent contractor, and the Contractor agrees to provide services to Participating Entities, in accordance with the terms and conditions provided in this Agreement and consistent with Contractor's response to the RFP.

ARTICLE II
SCOPE OF SERVICES

2.1 The Contractor will provide Services described in a written Purchase Order issued by NCTCOG or a TXShare Participating Entity. Any such Purchase Order is hereby incorporated by reference and made a part of this Agreement and shall be subject to the terms and conditions in this Agreement. In the event of a conflict between any term or provision in this Agreement and any term or provision in a Purchase Order, the term or provision in this Agreement shall control unless the conflicting term or provision in this Agreement is referenced, and expressly stated not to apply, in such Purchase Order.

2.2 All Services rendered under this Agreement will be performed by the Contractor: i) with due care; ii) in accordance with generally prevailing industry standards; iii) in accordance with Participating Entities' standard operating procedures and applicable policies, as may be amended from time to time; and iv) in compliance with all applicable laws, government regulatory requirements, and any other written instructions, specifications, guidelines, or requirements provided by NCTCOG and/or Participating Entities.

2.3 Any agreed-upon changes to a Purchase Order shall be set forth in a subsequent Purchase Order amendment. Contractor will not implement any changes or any new Services until a Purchase Order has been duly executed by Participating Entity. For the avoidance of doubt, the Contractor acknowledges that Participating Entity is under no obligation to execute a Purchase Order. Participating Entity shall not be liable for any amounts not included in a Purchase Order in the absence of a fully executed amendment of Purchase Order.

2.4 The Contractor may expand its designated service area(s) beyond those identified in Appendix A.2 at any time during the term of this Agreement. Such expansion shall not require a formal amendment or change order to this Agreement, provided that the Contractor notifies NCTCOG in writing of the updated service area(s). NCTCOG reserves the right to publish or update service area information for public awareness and contract administration purposes.

2.5 Discounts for items in Appendix A.1 represent the minimum discount for each item offered by the Contractor. Contractor and Participating Entity may mutually agree to a greater discount, thus lower cost, for any item covered under this agreement.

2.6 **NCTCOG Obligations**

3.2 **Termination.** NCTCOG and/or Participating Entities may terminate this Agreement and/or any Purchase Order to which it is a signatory at any time, with or without cause, upon thirty (30) days' prior written notice to Contractor. Upon its receipt of notice of termination of this Agreement or Purchase Order, Contractor shall follow any instructions of NCTCOG respecting work stoppage. Upon the effective date of any such termination, the Contractor shall submit a final invoice for payment in accordance with Article IV, and NCTCOG or Participating Entity shall pay such amounts as are due to Contractor through the effective date of termination. NCTCOG or Participating Entity shall only be liable for payment of services rendered before the effective date of termination. If Agreement is terminated, certain reporting requirements identified in this Agreement shall survive termination of this Agreement.

ARTICLE V
SERVICE FEE

5.1 **Explanation.** NCTCOG will make this Master Service Agreement available to other governmental entities, Participating Entities, and non-profit agencies in Texas and the rest of the United States through its TXShare cooperative purchasing program. The Contractor is able to market the Services under this Agreement to any Participating Entity with emphasis that competitive solicitation is not required when the Participating Entity purchases off of a cooperative purchasing program such as TXShare. However, each Participating Entity will make the decision that it feels is in compliance with its own purchasing requirements. The Contractor realizes substantial efficiencies through their ability to offer pricing through the TXShare Cooperative and that will increase the sales opportunities as well as reduce the need to repeatedly respond to Participating Entities' Requests for Proposals. From these efficiencies, Contractor will pay an administrative fee to TXSHARE calculated as a percentage of sales processed through the TXSHARE Master Services Agreement. This administrative fee is not an added cost to TXSHARE participants. This administrative fee covers the costs of solicitation of the contract, marketing and facilitation, as well as offsets expenses incurred by TXSHARE.

5.2 **Administrative Fee.** NCTCOG will utilize an administrative fee, in the form of a percent of cost that will apply to all contracts between awarded contractor and NCTCOG or participants resulting from this solicitation. The administrative fee will be remitted by the contractor to NCTCOG on a quarterly basis, along with required quarterly reporting. The remuneration fee for this program will be 1% on sales.

5.3 **Setup and Implementation.** NCTCOG will provide instruction and guidance as needed to the Contractor to assist in maximizing mutual benefits from marketing these Services through the TXSHARE purchasing program.

ARTICLE VI
RELATIONSHIP BETWEEN THE PARTIES

6.1 **Contractual Relationship.** It is understood and agreed that the relationship described in this Agreement between the Parties is contractual in nature and is not to be construed to create a partnership or joint venture or agency relationship between the parties. Neither party shall have the right to act on behalf of the other except as expressly set forth in this Agreement. Contractor will be solely responsible for and will pay all taxes related to the receipt of payments hereunder and shall give reasonable proof and supporting documents, if reasonably requested, to verify the payment of such taxes. No Contractor personnel shall obtain the status of or otherwise be considered an employee of NCTCOG or Participating Entity by virtue of their activities under this Agreement.

ARTICLE VII

The Contractor further represents that it will not enter into any such agreement during the Term of this Agreement;

7.1.2 NCTCOG is prohibited from making any award or permitting any award at any tier to any party which is debarred or suspended or otherwise excluded from, or ineligible for, participation in federal assistance programs under Executive Order 12549, Debarment and Suspension. Docusign Envelope ID: 267EA9DE-648F-88CD-800F-AD0FA0A23385

All final documents, data, reports, information, or materials are and shall at all times be and remain, upon payment of Contractor's invoices therefore, the property of NCTCOG or Participating Entity and shall not be subject to any restriction or limitation on their future use by, or on behalf of, NCTCOG or Participating Entity, except otherwise provided herein. Subject to the foregoing exception, if at any time demand be made by NCTCOG or Participating Entity for any documentation related to this Agreement and/or applicable Purchase Orders for the NCTCOG and/or any Participating Entity, whether after termination of this Agreement of otherwise, the same shall be turned over to NCTCOG without delay, and in no event later than thirty (30) days after such demand is made. Contractor shall have the right to retain copies of documentation, and other items for its archives. If for any reason the foregoing Agreement regarding the ownership of documentation is determined to be unenforceable, either in whole or in part, the Contractor hereby assigns and agrees to assign to NCTCOG all rights, title, and interest that the Contractor may have or at any time acquire in said documentation and other materials, provided that the Contractor has been paid the aforesaid.

3. Guarantees of the Contractor

Order Initiation

• Consultation. Every engagement starts with your assigned GALLS representative — taking time to understand your agency's needs, program parameters, and timelines. Samples, sizing visits, and demos are provided at no charge.

• Quote. A written quote at contract pricing is prepared before anything moves forward — no surprises, no ambiguity.

• Order Placement. Agencies choose how they order: through eQuip (GALLS' 24/7 e-commerce platform with contract pricing pre-loaded), direct PO to your sales rep or our Customer Service team, walk-in at any of GALLS' 79+ retail branches, or by purchasing card (pCard). Every option is built for how public safety agencies actually operate.

• Order Acknowledgment. Orders are confirmed within 24 hours through eQuip, with real-time backorder visibility so agencies always know exactly their order status.

• Fulfillment. Orders flow to GALLS' Lexington distribution center or the appropriate retail branch. Embroidery, alterations, and all customization work are completed in-house.

• Shipment. All orders ship FOB Destination on GALLS' account per this RFP. Agencies receive tracking through eQuip and direct email — full visibility from warehouse to door.

• Invoice. Net 30 invoices are issued at shipment with Agency name, purchase order #, officer name, ship to address with tracking information and references indicating TXShare co-operative as the source for pricing, making accounts payable processes straightforward for any agency's finance team.

Delivery

• Ship-Complete. Every item in the order ships together once all stock is confirmed. The default for kitted and bundled programs when a complete, coordinated delivery is essential.

• Ship-As-Available. Available items ship immediately as stock is confirmed, with invoicing consolidated across shipments. The right choice when time is a factor and partial fulfillment beats waiting.

• Consolidated Shipping. Multiple orders from a single agency are batched into one shipment — reducing freight costs, simplifying receiving logistics, and cutting down on administrative overhead for busy procurement teams.

• Drop-Ship. Large or specialty items ship directly from the manufacturer to the agency, eliminating unnecessary handling and reducing transit time for bulky or high-value equipment.

• Will-Call and Retail Pickup. With 165+ GALLS retail branches nationwide, Participating Entities can bypass shipping entirely — picking up orders in person at no freight charge, often the same day. For urgent needs, no delivery method is faster.

• In stock items generally ship within 7-10 days of receipt of order. Customized items may take up to 14 days and back order/special order items may take up to 60 days.

Support Services

In addition to dedicated outside and inside sales representatives, GALLS maintains a dedicated customer service program structured across three tiers:

(1) Front-Line Support — GALLS' Customer Service line (844-GOGALLS / 844-464-2557) is available Monday–Friday, 8:00 AM – 9:00 PM ET, staffed by approximately 70 CSRs who handle order tracking, invoice questions, backorder status, returns, and general program inquiries. Standard initial response time is within one (1) business day. Email support is also available at customercare@galls.com.

(2) Dedicated Program Support — Each TXShare members is assigned a dedicated sales representative and an inside support contact to ensure day-to-day program continuity. This team coordinates fittings, sizing, customization, replacement cycles, seeks alternative products for discontinued items, returns and warranty claims and communicates delivery delays if any arise.

(3) Executive Escalation — Any unresolved issue is escalated to Chantelle Fugate, Director of Customer Excellence and Onboarding (Office of the Customer), with direct CEO escalation available at CEO@galls.com for critical service failures. GALLS also conducts quarterly or annual program reviews with Program Participants to assess service levels, replacement forecasts, product change notifications, and program improvement opportunities.

GALLS tracks vendor on-time delivery rates, defect rates, and warranty claim rates by manufacturer, escalating performance issues through GALLS Inventory Management team.

Strategic Vendor Partnerships

As one of the largest national distributors of public safety uniforms, Galls holds preferred-partner status with most major manufacturers — including all brands specified in this solicitation. These relationships translate into product availability priority, competitive pricing advantages, and direct access to manufacturer support when it matters most.

Marketing Plan

GALLS will activate a three-channel marketing plan for TXShare within 90 to 120 days of award.
In-Store. TXShare branding and contract-eligibility messaging will go up at all 79+ GALLS retail locations, with extra emphasis at six Texas stores and nearby geographies. All retail staff will be trained on how to verify a member's eligibility at the point of sale.

Digital.
GALLS will launch a dedicated TXShare landing page on www.galls.com and plans to send targeted email campaigns to 50,000-client database, segmented by government, education, and nonprofit. Social media and search engine marketing campaigns tied to TXShare members keywords will help drive awareness among eligible agencies and organizations.

Sales Force.
Within 30 days of award, all roughly 60 outside and 80 inside sales representatives will be trained on TXShare members eligibility, contract pricing, and proper order routing.

GALLS' standard return policy provides:

- 30-Day Returns — Refund to original method of payment for resalable items that are unworn, in new condition, and in original packaging with all applicable tags and enclosures. Some restrictions apply.

Docusign Envelope ID: 267EA9DE-648F-88CD-800F-AD0FA0A23385

- 90-Day Returns — GALLS account credit for resalable items that are unworn, in new condition, and in original packaging with all applicable tags and enclosures. Some restrictions apply.

Special ordered, altered, decorated, engraved, or customized items may only be returned when the return is attributable to a GALLS error

Warranty

All manufacturer warranties, expressed and implied, shall be made available to TXShare members for any item provided under this Contract for no less than sixty (60) days. Defects or workmanship issues will be replaced at the cost of GALLS within thirty (30) days of notice of product issue from the member. In the event a replacement cannot be obtained due to manufacturer issues, GALLS will work with the TXShare member to find an equivalent or better product for replacement.

Pricing Incentives

Scalable Pricing:
GALLS can provide scalable pricing for quantities and competitiveness during the quoting process when TXShare members request a quote. GALLS commits to not-to-exceed cooperative pricing provided under the Police and First Responder Uniforms, Gear, and Accessories 2026-078. Increases to pricing shall not be made more than twice in a twelve (12) month period.

Quantities:
GALLS agrees that there will be indefinite quantities allowed for purchase by all TXShare members within reasonable amounts that GALLS vendors can reasonably supply.

Defined Discounts:
All discounts will be clearly defined on the Price Sheet. GALLS will not be offering discounts by brand. Instead, we are offering discounts at the SKU level for further clarity. All Texas regions and all fifty (50) states will receive the same discounted pricing.

Delivery:
