ARTICLE V SERVICE FEE

- 5.1 **Explanation.** NCTCOG will make this Master Service Agreement available to other governmental entities, Participating Entities, and non-profit agencies in Texas and the rest of the United States through its SHARE cooperative purchasing program. The Contractor is able to market the Services under this Agreement to any Participating Entity with emphasis that competitive solicitation is not required when the Participating Entity purchases off of a cooperative purchasing program such as SHARE. However, each Participating Entity will make the decision that it feels is in compliance with its own purchasing requirements. The Contractor realizes substantial efficiencies through their ability to offer pricing through the SHARE Cooperative and that will increase the sales opportunities as well as reduce the need to repeatedly respond to Participating Entities' Requests for Proposals. From these efficiencies, Contractor will pay an administrative fee to SHARE calculated as a percentage of sales processed through the SHARE Master Services Agreement. This administrative fee is not an added cost to SHARE participants. This administrative fee covers the costs of solicitation of the contract, marketing and facilitation, as well as offsets expenses incurred by SHARE.

5.2 **Administrative Fee.** NCTCOG will utilize an administrative fee, in the form of a percent of cost that will apply to all contracts between awarded contractor and NCTCOG or participants resulting from this solicitation. The administrative fee will be remitted by the contractor to Civic Marketplace on a quarterly basis, along with required quarterly reporting. The remuneration fee for this program will be 2.5% on sales.

5.3 **Setup and Implementation.** NCTCOG will provide instruction and guidance as needed to the Contractor to assist in maximizing mutual benefits from marketing these Services through the SHARE purchasing program.

**ARTICLE VI
RELATIONSHIP BETWEEN THE PARTIES**

6.1 **Contractual Relationship.** It is understood and agreed that the relationship described in this Agreement between the Parties is contractual in nature and is not to be construed to create a partnership or joint venture or agency relationship between the parties. Neither party shall have the right to act on behalf of the other except as expressly set forth in this Agreement. Contractor will be solely responsible for and will pay all taxes related to the receipt of payments hereunder and shall give reasonable proof and supporting documents, if reasonably requested, to verify the payment of such taxes. No Contractor personnel shall obtain the status of or otherwise be considered an employee of NCTCOG or Participating Entity by virtue of their activities under this Agreement.

Contractor shall have the right to retain copies of documentation, and other items for its archives. If for any reason the foregoing Agreement regarding the ownership of documentation is determined to be unenforceable, either in whole or in part, the Contractor hereby assigns and agrees to assign to NCTCOG all rights, title, and interest that the Contractor may have or at any time acquire in said documentation and other materials, provided that the Contractor has been paid the aforesaid.

Key insights from the feedback will be documented, with recommendations for further refinement and continuous improvement included in the final project summary.

7.0 Pricing

Our pricing is provided in Pricing Excel submitted as a separate document.

Pricing Narrative: CrowdPlat will ensure a transparent and flexible pricing strategy that aligns with the cost evaluation components outlined in Section 5.11 of the RFP. Our pricing model will incorporate mechanisms to address cost adjustments, such as price escalation clauses and additional freight charges, while providing flexibility to meet the specific needs of the organization.

Project Title: Artificial Intelligence (AI) Consultancy Services
Due Date: 01/13/2024

For price escalation, CrowdPlat adheres to a structured approach by limiting price adjustments to align with the Bureau of Labor Statistics' Consumer Price Index (CPI-U) as specified in Section 5.11.1. Escalation requests will be submitted no more than every 90 days, accompanied by documentation to justify the changes, ensuring full compliance and transparency. Additionally, we will proactively monitor market conditions to offer competitive pricing and, where applicable, pass along cost savings through price reductions without requiring formal amendments.

In terms of freight charges, we will provide two options based on client preferences: (1) incorporating freight costs directly into the initial pricing or (2) offering it as a separate additional charge, negotiated during the contract phase. This flexibility will ensure transparency and allow NCTCOG to select the method that best suits their operational and financial needs.

CrowdPlat also demonstrates pricing flexibility through tailored solutions, offering discounts for bulk services, time-and-materials pricing for scalable projects, or fixed-price contracts for well-defined scopes of work. For example, in previous projects, we provided a tiered pricing structure based on service volume, which resulted in cost savings for long-term engagements.
