3. Pricing notes

The following pricing notes are provided to clarify the structure and application of Enzai's proposed catalog pricing and are intended to support transparency and consistency with the pricing requirements set out in Section 5.10 of the RFP.

- As outlined above, Enzai proposes discount-based catalog pricing in accordance with Section 5.10 of the RFP.
- Pricing is fixed for the first six months of the contract.
- Discounts shown in this Exhibit represent minimum discounts available to Agencies. Enzai may offer additional discounts, including for multi-year agreements.
- Optional items are independently selectable and may be procured individually or in combination based on Agency requirements.
- All pricing is exclusive of applicable taxes and fees. Freight and shipping costs are not applicable for software and digital services.
- Current list pricing will be made available via a published price list or web link at contract execution and updated as required.
